Steve,

Attached are documents from MidAmerican and Aquila. Also, here is the link to IDNR's documents regarding the site:

<https://programs.iowadnr.gov/contaminatedsites/Site/Documents/164>

I talked to my project manager and there are some historical NNG documents that weren't included in OPPD's FOIA request. I am working on extracting those from our records and I will send them to you in a separate file because it's pretty large.
